
LANE END NURSERY

Garden design at Lane End Nursery 2007

Please use this questionnaire to help create discussion with the rest of the family and other possible garden users. We have found it very helpful to get an idea of what you would like as well as the budget in both time and money

What style of garden do you want?.....

Formal/Cottage/Evergreen/Jungle/Modern/Humour/

Find some pictures of garden styles that you like and perhaps ones that you now you want to avoid Local libraries often have a good selection of design books.....

Are there any plants that you would particularly like to grow?

Similarly are there any varieties or even colours that you know you want to avoid?

.....

What dissatisfies you most at present? Does the family agree?

How much gardening do you do now? Do you think this will be less or more in the future?
per week

per month.....

Do you intend to do most of the work yourself N/Y
